You Are Invited To Step Back into History: "Zimbabwe Time Line"

By Sharon Waterworth

The Nyanga Rhodes Historical Exhibition museum, a National Trust property in the Eastern Highlands, is proud to announce its latest project: the opening of a new exhibit entitled "Zimbabwe Time Line" which depicts salient historical events related to Zimbabwe during the period from BC to 1980. All Council Members participated, each researching a 30-year period, and we now have on display five periods from BC until 1980.
